

## HALF-DAY TOUR ON MOUNT ETNA WITH E-BIKE

Explore the highest active volcano in Europe from a privileged point of view: your e-mountain bike. Climb the slopes and the lava fields of Mount Etna with greater ease!

Tour: **Half-day mountain biking on Mount Etna on e-bike**

Distance: approx 30 km

Duration : 3 hours

Total ascent: 800 metres

Cyclists seeking an adventurous, off-road encounter on **Mount Etna** will delight in this half-day excursion, which will reveal the wonders of this amazing volcano. Climb on your electric mountain bike and take a look at the marvels of Mount Etna that cannot be seen from the road. We'll cross age-old **lava fields** and the more recent (2002) lava flow which gives you an idea of the destructive force of nature on the volcano. We'll also ride through the oldest and most splendid **pine tree woods** on Etna, the **Pineta Ragabo**. Then we'll climb on our sturdy e-bikes and cycle with great ease to **Piano Provenzana**, where we can get a closer view of one of the submittal active craters, the North-East Crater (NEC).
